**Alexandria, VA** - The Alexandria Choral Society invites you to join us for a heartwarming conclusion to our season with *Just As I Am*, a concert of music that speaks to the core of love, healing, and personal growth.

Saturday, May 11th at 7:00pm

Westminster Presbyterian Church, 2701 Cameron Mills Rd, Alexandria, VA 22302

Tickets available at: <https://www.alexandriachoralsociety.org/just-as-i-am>

Experience the resonance of our shared human journey through moving selections like “*Even When He is Silent*” by Kim André Arnesen, based on a poem of hope found at the end of World War II. Susan LaBarr’s “*Where the Light Begins*,” is a beautifully simple piece that asks us to consider the origin of light and how we are each connected to the eternal flame. “*Hark, I Hear the Harps Eternal*” is a rousing song composed by and honoring Alice Parker, an icon in the choral music world. We’ll also have a special tribute for our mothers this Mother’s Day weekend.

Concert patrons will also hear the remarkable young talent of the Alexandria City High School Advanced Choir, winners of our annual Sing Off Grant, under the guidance of Theodore Thorpe III. Prepare for an evening brimming with soul-stirring melodies and heartfelt emotion as we close out our 54th season!

At ACS, we’re not just about performances; we’re about YOU and the vibrant Alexandria community we passionately serve. Imagine a fusion of voices across Alexandria, blending ensembles of various ages and musical genres in perfect harmony. Join us next season to celebrate our 55th season of making music in Alexandria, when ACS will team up with a stellar lineup of local Alexandria-based choirs! Stay connected with us at our website, Facebook, Instagram, and our Friends of ACS newsletter to learn more. Join us for what may be our most fantastic season to date!

**About the Alexandria Choral Society:**

Since its founding in 1970, the Alexandria Choral Society has delighted audiences year in and year out. For half a century, ACS has enriched the Alexandria community with a broad spectrum of choral works, from the Renaissance to modern American composers, from small chamber pieces to major works for chorus and orchestra, and from a great variety of musical cultures. With thoughtful programming, including several world premieres, ACS is expanding the choral repertoire in the city of Alexandria and greater Washington region.
